The Astra Seating Range

Barcelona

The Barcelona range is the perfect balance of design, functionality, and affordability. The subtle curvature of the slatted edges and no harsh edges provide ergonomic comfort when sitting and dining.

London

The London are slatted seats featuring sleek cast aluminium frames with multiple leg and mounting options to suit different landscapes and specifications.

Madrid

The Madrid seats are premium furniture pieces. The curvature of the design adds a level of sophistication yet simplicity to any landscape.

Paris

The Paris range are sleek, versatile and exclusive seats that will undoubtedly enhance and compliment any landscape or streetscape environment.

Rome

The Paris range are sleek, versatile and exclusive seats that will undoubtedly enhance and compliment any landscape or streetscape environment.

Milan

The newly introduced Milan seats cater for budget conscious projects as they are a lower cost alternative options from our Astra range.

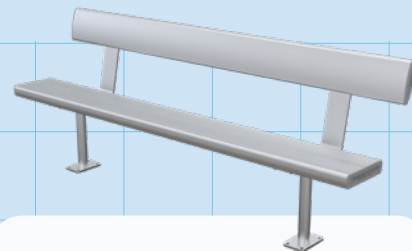

Vienna

The Vienna series has been carefully designed with a heavy-duty steel frame, zinc plated and powder coated monument with smooth slender slats.

Woodville

The Woodville seats are simple, functional yet high quality. They're made with a strong steel frame that has been zinc plated for long-term rust protection and finished with a premium Charcoal powder coat.

AS Urban Aluminium

Our Aluminium Suite is completely maintenance free and utilises a strong modular frame. Available in a range of frame colours to suit any application.

The Astra Advantages

- ⑦ DDA compliant dimensions and angles
- ⑦ 9 design suites to choose from
- ⑦ Range of mounting options
- ⑦ 5 different slat options
